← Instructions

To complete level you have to clear all the bricks from the screen. You can remove only those shapes that are shown on the right in the "Shapes" box.

Every time you use one of the shapes, counter for that shape decrements. To end a level all shapes counters must be equal 0.

To remove some bricks simply drag and move pointer on the screen and then release. Selected bricks will be marked green and if you match any of available shapes - bricks will be removed.

All symmetries of shapes are allowed so when you see a shape like this one: 

you can also use shape like this: 

There is an application bar in game window. You can use it to go back to level select screen, go to this page or restart level.
